Dear Kingdom Laborer,

The MII two year program, which is taught one day a week for 2 ½ hours, graduates students in your church with a Cap and Gown Ceremony and an Associate in Ministry (60 credit hours). This empowers your church to receive quality help and provides your students opportunity to serve with credibility.

The MII 1/7 Apprentice Program will help to grow your ministry and empower the teachers in the USA economically. Teachers as well as Sponsors receive pay while participating in this Program.

Your Bible, the real textbook, works well for the ones not yet skilled in English. Our curriculum is second to none for training Church leaders and Ministers, and gives you a way to plant mission schools in your home country. It is our desire to work with the Internationals in the USA in growing strong churches here and in your home country.

This is our third and final letter to you at this time. It is our desire to labor with you; however, you must e-mail or call us at the number or e-mail address listed above so that we can meet with you to answer any questions you may have.

Here to Serve,

Dr. J Tony Slay, CEO  
Ministry International Institute
